March 31, 2012**

**Dear Agami sponsor/advertiser:**

We are looking forward to a vibrant year full of activities for Agami throughout 2012. This is our tenth year of operation as a registered 501(c) 3 organization in United States. This decade has seen a phenomenal increase in project funding that translates to a significant number of students receiving the light of education in Bangladesh. We have also seen a tremendous growth in the number of volunteers and donors in United States.

Agami's Annual Fundraising event is scheduled to be held at the Chandni Restaurant on March 31, 2012 Newark, California. The theme of this year's celebration will be to commemorate March 26<sup>th</sup> "Shadhinota Dibosh" or "Independence day of Bangladesh" with a large participation from the community in the Bay area. The program will include Agami's 2011 accomplishments as well as an exciting line up of performers including but not limited to sensational Bangladeshi American singer ***Palbasha Siddique***.

We are urging for your support in achieving our target for this year and encouraging you to promote your name and business within mainstream Bangladeshi community of San Francisco Bay Area. Agami is now strategically aligned to promote YOU at the fundraiser event and through their website [WWW.AGAMI.ORG](http://WWW.AGAMI.ORG) that receives a significant amount of hits every day. Agami also utilizes the Salesforce CRM to communicate with its volunteer and donor pool as we thank dedicated sponsors on a regular basis. We encourage you to review the attachments and consider extending your heartfelt support in the form of sponsorship or advertisement.
